

# Australian Academy of Business Leadership (AABL)

Excellence in Research and Research Training

## WELCOME TO AABL

***A**ustralian Academy of Business Leadership is Engaged in research, training and international conferences to 'create knowledge', to develop 'collaboration and networking' and to foster 'research excellence'. This organization is keen to improve the career of young academics and researchers, by enhancing their abilities for further growth and development.*

*It aims to have the substantial footprints in different geographical locations in the globe to increase collaboration and networking opportunities amongst the research scholars to exchange ideas for innovation in research. Furthermore, its research journals publish high quality empirical and theoretical research work in order to disseminate knowledge amongst the academics and practitioners.*

## WHAT IS

# LEADERSHIP

Leadership is an influence relationship among leaders and followers who intend real changes and outcomes that reflect their shared purposes.

The process of influencing people to direct their efforts toward the achievement of some particular goal(s).

*(Hodgetts & Luthans 1998).  
International management, McGraw-Hill)*

Leadership, according to *Peter DeLisle*, is the ability to influence others, with or without authority.

*(The Balanced Engineer: Entering the New  
Millenium IEEE-USA, 1999)*

## News

### Australian Academy of Business Leadership (AABL) President meets with University New South Wales (UNSW) Vice-President

In March, AABL President Nicholas McDonald met UNSW Vice President Mr. Peter Noble. Mr. McDonald and Mr. Noble discussed issues of mutual interests. The discussion took place at the end of the inaugural ceremony of UNSW Yunus Social Business Health Hub.

## Join AABL as Fellow Member/Associate Member

Do you know that you can join Australian Academy of Business Leadership (AABL) as a Fellow Member or an Associate

Member to enjoy a range of benefits?

### Eligibility:

**Fellow Member:** To join as a Fellow Member, you should have a minimum Australian equivalent research Masters or PhD

degree qualification, and be active in doing research and publications.

**Associate Member:** To join as an Associate Fellow Member, you should have a minimum Australian equivalent Bachelors

degree/graduate diploma qualification, and have an active interest in research.

### Membership Fee (annual):

Fellow Member: A\$40

Associate Member: A\$20

Participants of AABL conference(s), who meet the above criteria, will be exempted from paying the 1st year membership fee.

### The benefits of AABL membership:

1. All members will enjoy a 10% discount to join any AABL Event (Conference/Training Session) or any service provided by AABL.
2. All members will enjoy a range of rewards by referring others to AABL Events (Conference and/or Training Session). Fellow Members will enjoy \$50 referral reward(s) and Associate Members will enjoy \$25 referral reward(s), if another person joins an AABL Event (Conference and/or Training Session) with his/her referral.

### How to Join?

1. Please complete the online application form.
2. Pay the applicable fees. A person who will register for at least one AABL Event (Conference and /or Training Session) will get waiver of membership fee for one year.

### Terms and Conditions:

1. Year will be the English calendar year (January – December).
2. The reward program will commence from 1 April 2015. The fractional year will be considered as a full year.
3. A member willing to join in the middle of the year will pay full fees. Payment for fractional year will not be accepted.
4. The referral reward will NOT be given in cash but can be used to pay partial or full payment (based on reward balance) of an AABL Event (Conference and/or Training Session). This reward can also be used to pay future membership fees. Depending on a member's joining and earning this reward, this referral reward can be accumulated and will remain valid for up to 2 years only; after a 2-year period, this reward will expire and cannot be carried forward for use in subsequent years. This referral reward is non-transferable.
5. All amounts quoted are in Australian dollars (A\$).
6. AABL reserves the right to change the membership fees and reward amounts from time to time, should the need arise.
