

Introducing  
“Capacity Building in Research and Scholarship  
Opportunities in Australia”

**Thinking about enrolling into a Higher Degree Research  
Program?  
(Research Masters or a PhD?)**

**Do you know that PhD is not a Nobel Prize?  
Many people have done their PhD in the past. You can  
also do it.**

**You do NOT need to have a very high level of intelligence to do a  
PhD**

**What you need are ability to WORK HARD and MOTIVATION.**

**We will build your CAPACITY**

**You will be ready to do your research!**

**Australian Academy of Business Leadership is offering “Capacity  
Building in Research” in “Intensive Mode”.**

**This 2-day intensive program is now offered twice a year in Kuala Lumpur, Malaysia. This program will help you to be Research ready to join the Research Master of PhD Journey. You may be able to secure your position in a PhD program in Australia, New Zealand and Malaysia and other developed countries even with scholarship!**

**The academy is now accepting “Expression of Interest” for enrolment in first batch.**

**The classes are conducted December every year. Seats are limited.**

**The course fee is US\$1,200\*.**

**Register your interest by sending an email to [research.training@aabl.com.au](mailto:research.training@aabl.com.au)**

**\* Studnets will have to bear their accomodation and other relevant costs in Kuala Lumpur, Malaysia during the tenure of the program.**
